Mr. Harry L. Lodish
915 Guarantee Title Building
Cleveland, Ohio.

Dear Harry:

I am particularly anxious to see: 1. That the enclosed material gets to the addressee promptly. 2. That he be completely covered because he fears he is being watched. I have forgotten his address. His name is Holland. He is Secretary of the Socialist party in Ohio and can undoubtedly be safely reached through the person who checked on me for him sometime ago. Also he lives at Cayheoga Falls near Akron.

Thanks a lot.

Yours very truly,

Harold Weisberg.
